portability. Both punch and splicer sections have efficient, compact, weights only 3 lbs. for compact precision feed hole pins for rapid, exact tape alignment. Precision punch for encoding any type of perforating tape with any alpha, numeric or other code. Splice all types of tapes with Robins Splicing Patches. There's a patch for any tape.

#DSP-1 for Standard feed hole tapes.....\$5.00  
#DSP-1A for Advanced feed hole tapes.....\$5.00

When ordering, please specify type of tape with which unit will be used (e.g. oil-dyed paper, laminated mylar, etc.) so that we can supply the correct patches for your needs.

Also advise tape width.
